

The 8th

Australian Hydrogen Conference 2024

The must attend national conference for Australia's emerging hydrogen industry

18 - 19 June 2024 | Adelaide Convention Centre

CO-LOCATED WITH THE SOUTH AUSTRALIA ENERGY DEVELOPMENTS CONFERENCE

HOST CITY SPONSORS

SUPPORTED BY

The 8th Australian Hydrogen Conference

WHY SHOULD YOU ATTEND THE AUSTRALIAN HYDROGEN CONFERENCE – THE KEY MEETING PLACE FOR THE AUSTRALIA'S HYDROGEN SECTOR

The Australian Hydrogen Conference is thrilled to return to Adelaide on the 18-19 June 2024 at the Adelaide Convention Centre to bring together the hydrogen sector's most eminent energy leaders and help shape the future of the industry across the nation and overseas.

Co-located with the South Australia Energy Developments Conference, join us as we meet expert speakers from across the national & international market, connect with your industry peers, and expand your network.

Now in its 8th iteration, this event is THE must attend national conference to discover the latest exciting developments occurring across this emerging industry. Book now to join the conversation.

The conference will cover all the latest issues concerning this exciting sector, including:

- An in-depth look at the Albanese Government's proposed A Future Made in Australia Act and the exciting implications for Australia's hydrogen future
- The very latest Government announcements on the country's exciting hydrogen plans
- A showcase of the latest new developments for the sector, including the Hydrogen Headstart program
- Key project updates from Australia's hydrogen proponents, and many other players from across Australia
- Working with First Nations Peoples to develop regional hydrogen projects
- Boosting green hydrogen industries to achieve commercially viable green hydrogen by 2030
- Examining the requirements for the roll out of transmission to fuel hydrogen projects

- The latest advances in hydrogen mobility and refuelling infrastructure
- The latest advances in new pipeline technologies that will facilitate storage and transportation of green hydrogen
- Water management and utilisation technologies and strategies for this new industry
- The future of green steel, including the South Australian Government's plans to develop a hydrogen based DRI plant

Co-located with:

Scan here to find out more

Join us in June for the South Australia Energy Developments Conference, where we showcase the state's pioneering efforts in the global energy transition. South Australia is at the forefront, aiming for 100% net renewables by 2030.

This event will bring together the state's dynamic energy industry. Attendees will have the opportunity to explore leading-edge case studies on the latest developments in solar, wind, battery storage, renewable energy zones (REZ), and transmission. Beyond knowledge sharing, this conference offers a unique platform for networking and fostering connections within the industry.

Topics will include:

- South Australian energy market
- Government policy and updates
- Case studies of clean energy projects including wind farms, large scale-solar, battery storage, community batteries

- Transmission infrastructure developments
- Investments for the roll-out of energy projects
- Decarbonising operations
- Engaging with First Nations and community
- Clean energy supply chain
- The latest advances in clean energy technology
- Community engagement in the construction of energy projects
- Skilled workforce shortages and the renewable energy transition

The 8th Australian Hydrogen Conference

Speakers Include:

	Hon Tom Koutsantonis MP <i>Minister for Energy and Mining, Government of South Australia</i>		Nicholas Mumford <i>Executive Managing Director, Greenhill Energy</i>
	Jessica Shaw MLA <i>Parliamentary Secretary to the Premier; Minister for State and Industry, Development, Jobs and Trade; Public Sector Management; Federal-State Relations, Government of Western Australia</i>		Dr Attilio Pigneri <i>Founder and Chief Executive Officer, The Hydrogen Utility (H2U)</i>
	Sam Crafter <i>Chief Executive Officer, Office of Hydrogen Power South Australia</i>		Simon Emms <i>Chief Executive Officer, Electranet</i>
	Jeremy Conway <i>Executive Director, Infrastructure SA</i>		Neil McDonald <i>Managing Director, Gold Hydrogen</i>
	Denise Loftus <i>Industry Development Manager, Manufacturing, Department for Industry, Innovation and Science (SA)</i>		Nick Llewellyn-Jones <i>Principal, Norman Waterhouse</i>
	Dr Patrick Hartley <i>Leader, CSIRO Hydrogen Industry Mission, CSIRO</i>		Tim Dobson <i>Chief Executive Officer, Magnetite Mines</i>
	Alexandra McIntosh <i>Investment Director, Australian Renewable Energy Agency (ARENA)</i>		Paul Evans <i>Vice President Corporate Affairs, Sustainability, Government and Property, Orica</i>
	Craig de Laine <i>Chief Executive Officer, Australian Gas Infrastructure Group (AGIG)</i>		Andrew Willis <i>Manager of Carbon Policy, Toyota Motor Corporation</i>
	Steve Quilter <i>Executive General Manager Growth and Future Energy, Stanwell Corporation</i>		Justin Commons <i>Chief Executive Officer, Whyalla City Council</i>
	Timo Bollerhey <i>Executive Director, HINT.CO GmbH, Managing Partner, H2 Global Advisory GmbH</i>		
	Scott Nargar <i>Senior Manager Future Mobility & Government Relations, Hyundai Motor Company Australia</i>		
	Jørn Hammer <i>Partner and Head of CIP Australia, Copenhagen Infrastructure Partners</i>		
	Tim Jessen <i>Chief Executive Officer, Lochard Energy</i>		
	Thyl Kint <i>Project Director Cape Hardy Green Hydrogen, Amp Energy</i>		
	Geoffrey Drucker <i>Managing Director, Countrywide Hydrogen</i>		
	Michael van Baarle <i>Co-Founder and Chief Executive Officer, ABEL Energy</i>		

SPONSORSHIP & EXHIBITION OPPORTUNITIES

The Australian Hydrogen Conference brings together the key minds of the Hydrogen industry globally. Brand your company and network amongst the great minds of the Hydrogen industry, and be at the forefront of this rapidly expanding sector globally. With many opportunities to connect and engage with key hydrogen experts this not just a conference... but an all encompassing industry "experience".

Event sponsorship or exhibiting will allow your organisation to:

- Build relationships with potential and existing clients
- Generate leads from a high-level, targeted audience
- Close sales in a more personal manner than via phone or zoom
- Demonstrate your product in person
- Network with the industry
- Build brand awareness

To see what is on offer please contact:

HOST CITY SPONSORS

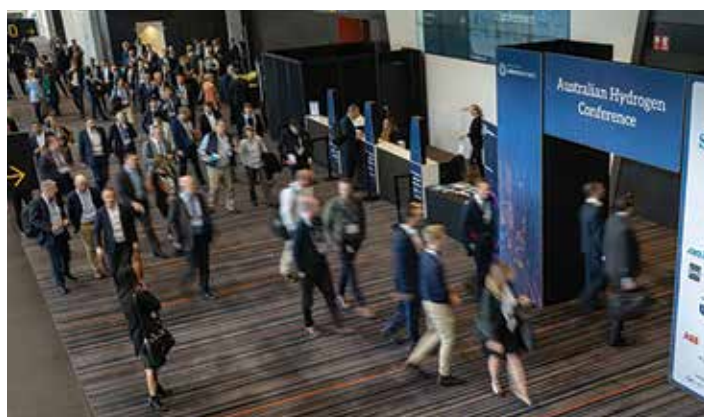

The 8th Australian Hydrogen Conference

Tuesday 18 June 2024

DAY 1

9:00	OPENING Opening remarks from the Chair
9:10	OPENING MINISTERIAL KEYNOTE ADDRESS Government of South Australia keynote address Hon Tom Koutsantonis MP, <i>Minister for Energy and Mining, Government of South Australia</i>
9:30	South Australia's hydrogen journey Sam Crafter, <i>Chief Executive Officer, Office of Hydrogen Power South Australia</i>
9:50	The Hydrogen Headstart Program Alexandra McIntosh, <i>Investment Director, Australian Renewable Energy Agency (ARENA)</i>
This concludes our joint Plenary session. Concurrent sessions starting after the refreshment break: – 8th Australian Hydrogen Conference – South Australia Energy Developments Conference	
10:10	Networking and refreshment break
10:50	STATE GOVERNMENT KEYNOTE ADDRESS Western Australia's hydrogen journey Jessica Shaw MLA, <i>Parliamentary Secretary to the Premier; Minister for State and Industry, Development, Jobs and Trade; Public Sector Management; Federal-State Relations, Government of Western Australia</i>
11:10	The A Future Made in Australia Act and its implications for Australian investment in hydrogen
11:30	Enabling Australia's Hydrogen Industry through Research, Development & Demonstration Dr Patrick Hartley, <i>Leader, CSIRO Hydrogen Industry Mission, CSIRO</i>
11:50	Update on Hydrogen Park SA Craig de Laine, <i>Chief Executive Officer, Australian Gas Infrastructure Group (AGIG)</i>

12:10	Securing long-term markets for Australia's hydrogen future Paul Evans, <i>Vice President Corporate Affairs, Sustainability, Government and Property, Orica</i>
12:50	Lunch and networking break
13:50	QUICK-FIRE SHOWCASE Investing in hydrogen mobility Scott Nargar, <i>Senior Manager Future Mobility & Government Relations, Hyundai Motor Company Australia</i> Andrew Willis, <i>Manager of Carbon Policy, Toyota Motor Corporation</i> Joint Q&A
14:20	PANEL DISCUSSION Challenges facing transmission networks in meeting demand for hydrogen and renewables Simon Emms, <i>Chief Executive Officer, Electranet</i>
14:50	Hydrogen Supply Chain Mapping and Gap Analysis Denise Loftus, <i>Industry Development Manager, Manufacturing, Department for Industry, Innovation and Science (SA)</i>
15:20	Networking and refreshment break
15:50	AMP Energy's Cape Hardy Green Energy Project Thyl Kint, <i>Project Director Cape Hardy Green Hydrogen, Amp Energy</i>
16:10	The plans for bilateral trading in hydrogen initiatives, using Germany's H2Global organisation Timo Bollerhey, <i>Chief Executive, HINT.CO (Hydrogen Intermediary Company GmbH)</i>
16:30	Closing remarks from the Chair
16:35	Networking Drinks Function 🍷🍷

The 8th Australian Hydrogen Conference

Wednesday 19 June 2024

DAY 2

9:00 OPENING | Opening remarks from the Chair

9:10 PANEL DISCUSSION

Working with first nations peoples to develop regional projects

Nick Llewellyn-Jones, *Principal, Norman Waterhouse*

9:50 Housing needs to meet workforce demands

Justin Commons, *Chief Executive Officer, Whyalla City Council*

10:10 The Evergreen hydrogen project

Jørn Hammer, *Partner and Head of CIP Australia, Copenhagen Infrastructure Partners*

10:30 Networking and refreshment break

11:00 PANEL DISCUSSION

Investment considerations for Australia's hydrogen industry

11:30 PANEL DISCUSSION

The outlook for green iron and steel production

Tim Dobson, *Chief Executive Officer, Magnetite Mines*

12:00 Update on the CQ Hydrogen Project

Steve Quilter, *Executive General Manager Growth and Future Energy, Stanwell Corporation*

12:20 The H2RESTORE green hydrogen production and storage project

Tim Jessen, *Chief Executive Officer, Lochard Energy*

12:40 Lunch and networking break

13:40 Update on the Eyre Peninsula Gateway Project

Dr Attilio Pigneri, *Founder and Chief Executive Officer, The Hydrogen Utility (H2U)*

14:00 Gold hydrogen opportunities for South Australia

Neil McDonald, *Managing Director, Gold Hydrogen*

14:20 Plans for the Northern Water Supply Project

Jeremy Conway, *Executive Director, Infrastructure SA*

14:40 Greenhill Energy's proposed waste-to-hydrogen facility

Nicholas Mumford, *Executive Managing Director, Greenhill Energy*

15:00 Networking and refreshment break

15:30 Hydrogen Portland Project

Geoffrey Drucker, *Managing Director, Countrywide Hydrogen*

15:50 Update on the Bell Bay Powerfuels project

Michael van Baarle, *Co-Founder and Chief Executive Officer, ABEL Energy*

16:10 PANEL DISCUSSION

Port & Logistics

16:40 Closing remarks from the Chair and End of Conference
